Proposals and References

Proposal No. 1: Appropriation of Surplus

The Company has made it the basic policy to pay stable dividends over the long term through continuous business development by setting profit returns to shareholders as one of the most important managerial issues. In addition, the Company has a policy of investing balanced allocations for growth from the long-term perspective and internal reserve in preparation for future business development. According to such a policy, the Company will execute the appropriation of a surplus and the payment of the year-end dividend for the current period as follows.

1. Matters concerning the appropriation of a surplus

It is highly regrettable that the Company posted a net loss for the 64th business period and, as a result, recorded a negative value for retained earnings carried forward. Therefore, the Company asks shareholders to approve the reversal of the general reserve to supplement the losses and stable dividends to shareholders.

(1) Surplus account and amount to be decreased

General reserve: 8,222,883,225 yen

(2) Surplus account and amount to be increased

Retained earnings carried forward: 8,222,883,225 yen

2. Year-End Dividends

To reward shareholders' assistance, the Company will pay year-end dividends for this period as follows:

(1) Type of dividend property

Cash

(2) Distribution of dividends to shareholders and total of dividends

5 yen per share of common stock of the Company.

This will amount to total dividends of 172,591,330 yen.

(3) Effective date of the distribution of retained earnings

June 27, 2025

The interim dividend per share of 5 yen was paid; consequently, the annual dividend per share, which consists of interim and year-end dividends, amounts to 10 yen.

Proposal No. 2: Appointment of Five (5) Directors
(excluding directors as Audit and Supervisory Committee members)

For the current five (5) directors (excluding directors as Audit and Supervisory Committee members), their terms of office will expire at the closing of the general meeting of shareholders. In line with this, the Company asks you to appoint five (5) directors (excluding directors as Audit and Supervisory Committee members).
